the micro doppler effect in radar victor c chen  
May 27th, 2020 - this highly practical resource  
provides you with thorough working knowledge of the  
micro doppler effect in radar including its principles  
applications and implementation with matlab codes the  
book presents code for simulating radar backscattering  
from targets with various motions generating micro  
doppler signatures and analyzing the characteristics  
of targets'
