June 4th, 2020 -
water is a feminine
energy and highly
connected with the
aspects of the
goddess used for
healing cleansing
and purification
water is related to
the west and
associated with

passion and emotion
in many spiritual
paths including
catholicism
consecrated water
can be found holy
water is just
regular water with
salt added to it
and usually a
blessing or
invocation is said
above it''
