Electrical Engineering Technology Program amp Courses

**May 10th, 2018 - About the Program The
three year Electrical Engineering
Technology program has been designed
to provide students with both
theoretical and practical experience**

enabling them to work in a wide variety of electrical engineering areas including power systems and process control'

'EEP Electrical Engineering Portal
Energy and Power For All

May 3rd, 2018 - EEP Electrical engineering portal is leading education provider in many fields of electrical engineering specialized in high medium and low voltage applications power substations and energy generation transmission and distribution'

'Electrical and Electronics
