'Cultural relativism Wikipedia

October 11th, 2018 - Cultural

relativism is the idea that a person s

beliefs values and practices should be

understood based on that person s own

culture rather than be judged against the criteria of another It was established as axiomatic in anthropological research by Franz Boas in the first few decades of the 20th century and later popularized by his students Boas first articulated the

*idea in 1887"***Manuscripta Vol 61 No
