orphan trains an interactive history adventure by

May 18th, 2020 - i thought that this adaptation of the choose your own adventure format was actually really really good it presents the history of the orphan trains that ran from 1854 to 1929 in this interactive format that also helps display the multiplicity of history rather than the singular story that is usually told in historical fiction novels or that overly generic tale in textbooks"*interactive history adventure series librarything*
