June 3rd, 2020 - stays to corsets fashion history stays replaced by corsets corsets after 1840 stays and corsets in both england

and america the word corset replaced the word stays the soft muslin dresses of 1800 clung to the body highlighting the natural body outline this made it difficult to wear stays but those with imperfect figures had no choice''stays bodices and corsets what s the difference

June 3rd, 2020 - the current vernacular is to use stays to refer to any boned undergarment from the 17th and 18th centuries and corset for such garments from the 19th century onwards the word corset derives from the old french word corps which means body the term first appeared in english in the early 19th century when introduced a corset was an unboned or very lightly boned linen garment that laced''**free corset pattern list araneablack all things corsets**
