**'how to read churches a crash course in ecclesiastical**

April 21st, 2020 - i very much appreciated this crash course in  
ecclesiastical architecture some things that would have made it better for  
me the pages that were dark in color were hard to read as the black print  
was not enough of a contrast from the dark colored page the font was thin  
and harder to read i would have enjoyed actual photos of more churches  
rather than the sepia styled renderings' **'how to read churches a crash
