## VULCAN OILS Login

October 7th, 2018 - Premium heat transfer oil APPLICATIONS Very hot circulating oils systems ? VULCAN OILS are mineral oil based fluids designed specifically for use in hot circulating oil systems where heat exchangers are often utilized They are produced from high viscosity index paraffinic base stocks and specialized additives which extends service life ? Recommended for open

---

hot oils systems that'**Heat Transfer Oils Lubriplate Lubricants Co**  
**October 16th, 2018 - Lubriplate Heat Transfer oil is recommend for use**  
**where exceptional hear transfer qualities are needed in items such as**  
**concrete tile and oil type heat exchangers'**
