May 8th, 2020 - the end of sex and the future of reproduction by henry t greely is newly published by harvard university press philip ball is most recently the author of invisible the history of the unseen from plato to particle physics vintage why are we asking which way churchill would have voted in the eu referendum'

'**scenario end of marriage future fandom powered by wikia**

May 7th, 2020 - marriage

obsolescence is a future event that might happen in the short term a few decades and in the long term a few centuries one argument goes like so marriage is a product of sex and child rearing in developed countries people have fewer children because they do not provide benefits on the farm and because they take a lot of time and money to care for people will have more' '*thread by willyintheworld*
