June 7th, 2020 - keep in mind that the inheritance of temperament is less predictable than the inheritance of physical traits such as size or shedding. Temperament and behavior are also shaped by raising and training. You can avoid some negative traits by choosing an adult dog from an animal shelter or rescue group. With an adult dog, you can easily see what you're getting. Plenty of adult border collies." **border collie puppies for sale from reputable dog breeders**

June 7th, 2020 - the border collie is a herding breed of dog that not only works with animals that can kick and injure them easily but they may be in contact with

predators that want to eat the animals the border collie is herding most likely the lineage of border collie s that have the longer neck fur is from breeders whom have kept that in their lineage'
