'Political Theology: Four New Chapters on the Concept of Sovereignty'
May 16th, 2020 - Carl Schmitt's Political Theology: Four Chapters on the Concept of Sovereignty is one of the most famous as well as one of the most obscure books in twentieth-century political theory. It is much cited by contemporary political and legal theorists, but those citations often seem to refer to just two canonical sentences: "Sovereign is he who decides on the exception" and "all".
