June 6th, 2020 - the gun ketch is a good quick read
there is humor drama action and adventure i find
the book didn t get too bogged down and the story
moves along at a good clip this book is one of my
favorites in the dewey lambdin series this review
is the second time i read the book''**the gun ketch

'naval artillery

June 7th, 2020 - the 16th century was an era of transition in naval warfare since ancient times war at sea had been fought much like that on land with melee weapons and bows and arrows but on floating wooden platforms rather than battlefields though the introduction of guns was a significant change it only slowly changed the dynamics of ship to ship bat as guns became heavier and able to take more'
