features to help you find exactly what
you re looking for''**more journey map**
examples before you begin and asking
May 21st, 2020 - very often in a journey
map there are different journeys for
different people and we typically would
overlay those journeys all in one place
and just show the variability there are
future tools downstream around personas
right around sense making that will help
us parse out how the journey shows up
differently for different people''nielsen
norman group ux research training and
consulting

May 27th, 2020 - summary journey maps
bine two powerful instruments
storytelling and visualization in order
to help teams understand and address
customer needs while maps take a wide
variety of forms depending on context and
business goals certain elements are
generally included and there are
underlying guidelines to follow that help
them be the most successful'

'**a beginner s guide to user journey**
mapping ux planet

May 30th, 2020 - user journey map is a visualization of an individual's relationships with a product brand over time and across different channels while user journey maps come in all shapes and formats mostly it is represented as a timeline of all touch points between a user and a product''
