**pharmacotherapy a
guide for the helping**

February 5th, 2017 -

geriatric

pharmacotherapy a
guide for the helping
professional is a
review of

pharmacotherapy that
is focused on practice
based strategies to
optimize drug therapy
in geriatric patients
as the geriatric
population continues
to grow is has bee
increasingly important
that pharmacists be
familiar with special
considerations related
to medication use in
the geriatric
population'

need'

' pharmacotherapy
considerations today s
geriatric medicine

May 27th, 2020 -

geriatric

pharmacotherapy can be
viewed as a doubled
edged sword because

there is the potential
to improve quality of
life but the increased

use of drugs in this
population also can

increase the risk of adverse drug reactions and potentially cause increased morbidity and mortality 21 22 it is important for health care professionals particularly prescribers to ensure the safe management of '
