May 23rd, 2020 - sable island is famous for its wild horses of which there are currently around 500 winters on the island are severe though and the population has dipped as low as 150 in the past although popular legends claim that sable island horses swam ashore from the island s many shipwrecks or were introduced by 16th century portuguese explorers this is not supported by historical or genetic evidence'

'review stacy gregg the island of lost horses

April 24th, 2020 - stacy gregg tells a very good story i enjoyed the way the two storylines mesh and diverge connecting over the horse she does a good job of portraying 15 th century spain though with the odd anachronism like ok which sits slightly oddly in the more formal language used in these parts it s a novel stuffed with women this one in the beatriz section the only man is her
