**May 2nd, 2018 - I don't often publish reviews but I'm making an exception here In track planning books it's rare that the plans can be built as presented because it's highly unlikely that the reader's space for a model railway will correspond exactly to the spaces used by the plans the layout designer presents'**

**'A Small Shelf Layout Sumida Crossing**

**May 1st, 2018 - A Small Shelf Layout An urban model railroad needn't take up a lot of space I came up with the following design using Unitrack for three 4' x 1' sections 12' overall length that includes a double track mainline with one station a branch line a small freight yard and a set of staging tracks to feed trains in and out'**
