20 rarely seen photos of america in the 1950  
s show how

April 13th, 2018 - the 1950 s are often  
viewed as a golden era in u s history a time  
of happiness and prosperity despite the  
threat of nuclear annihilation racial  
segregation and the looming cold war while  
most photos from the time are in black and  
white color photography was still a relative  
novelty at the time and the film was quite  
expensive for regular people the photos below  
are in glorious color''1950s radio in color  
the lost photographs of deejay tommy

May 29th, 2020 - 1950s radio in color gives  
tommy edwards his due recognition as the  
deejay responsible for perhaps the most  
important photographic and written  
documentation of twentieth century music ever  
produced featuring over 200 color photographs  
this book will transport readers back in time

---

allowing them to step into edwards s shoes  
for a moment and to feel the wonder and  
excitement he must have felt every day while  
witnessing a cultural revolution'
