'100 fascinating facts that will simply astonish you best

May 28th, 2020 - the days were dark during world war I when Europe was at war and world powers like Britain were mobilizing their forces. One celebrated British admiral of the Royal Navy had retired by 1917 when he wrote to Winston Churchill to share his take on the headlines of the day, some of which were so exciting he wrote "Oh my animal book facts and fun questions and answers things

November 30th, 2019 - My Animal Book is a hands-on action-packed title to share with young children. The starting point is the child and the questions they ask about animals. First, there's a big surprise: a human being is an animal. Then, there are all kinds of questions and activities to encourage children to think about where different animals live, what they eat, and how they have families. There are things to do'
