*May 19th, 2020 - the title of this
volume of brief pieces patently
alludes to beethoven s three sets of
bagatelles and literally intimates
works of little significance
ironically bartók s pieces though
slight in duration betoken a very
significant development of his
musical language and in the fourth
and fifth bagatelles a novel
approach to the setting of
hungarian and slovak folk
tunes"***bartok mikrokosmos piano
