'Edition book Wikipedia

November 18th, 2019 - A cheap edition typically  
uses a low cost paper and is a paperback but  
they can be hardback Also typically the size of  
the font is reduced to fit more words on a page  
to reduce the overall cost of the book Naturally  
for a cheap edition the author will receive a  
lower royalty but that may be compensated for by  
a greater volume of sales'
