May 14th, 2020 - because these string quartets are tied by their positional history the album is more unified than the previous cds and the brentano s rather lean and muscular interpretation of op 130 gives it the feeling of a long but carefully planned build up to the grosse fuge almost anticipating it as an arrival point''customer reviews beethoven the late string

May 4th, 2020 - the grosse fuge and the alternate ending to op 130 are both offered and i must say it s a relief to hear the former played without the usual bared teeth attack given all these positive ments i am still holding back the last star because the late quartets demand more vigor and a tighter grip than the tokyo possess right now'
