## **sociology culture**

### **wikibooks open books**

June 1st, 2020 - many people today think of culture in the way that it was thought of in Europe during the 18th and early 19th centuries. This concept of culture reflected inequalities within European societies and their colonies around the world. This understanding of culture equates culture with civilization and contrasts both with nature or non-civilization. According to this understanding of culture:
