April 24th, 2020 - Since the publication of his first book in 1953 Yves Bonnefoy has bee one of the most important French poets of the postwar years At last we have the long awaited English translation of his celebrated work L Arriere Pays which takes us to the heart of his creative process and to the very core of his poetic spirit''The Arriere pays by Yves Bonnefoy Goodreads

April 20th, 2020 - Far too dense and perfect to be understood in its entirety the first time around The Arriere pays demands a second reading at the very least before it can be fully digested But upon this my initial reading it opens a luminous landscape in its quest for the root of a feeling many of us

know deeply a longing for elsewhere
some undefined place that exists
just over there'
