'Ghassan Kanafanis Returning to Haifa tracing memory

February 6th, 2020 - This article argues that Ghassan Kanafani in his 1969 work Returning to Haifa portrays a new conception of home as a postcolonial site that transcends the physicality of geography to create a new collective fluid memory Kanafani's narrative explores the chasm between the imaginary or utopian territory that exists simply in the memory of the indigenous people and the real site which

exists'
