'space boy volume 2 space boy 2 by stephen mccranie

May 11th, 2020 - it s all smartly rendered stephen mccranie has a knack for drawing real feelings

and emotions from his teenage characters space boy vol 2 is also smartly rendered in the artistic sense i simply can't praise mccranie's style enough it's the first space boy volume was pretty light on the titular space boy so it's nice to see space boy vol 2 take a bigger swing at that character'
