*the land*' 'book review wrecked by maria  
padian the tack online

May 7th, 2020 - wrecked ultimately is an  
elegantly executed thought provoking novel  
that shows rape and assault as terrible plex  
situations that can polarize us if we let  
them but can also be a catalyst for change  
if we are smart enough to keep asking  
unfortable questions while we pursue justice  
against the predators who perpetrate it'
