'when worlds collide 1951 yts

May 12th, 2020 - a wonderful sci fi film because it ultimately looks at human nature this is an often overlooked sci fi movie from the 50s being not nearly as famous as the excellent day the earth stood still or invasion of the body snatchers despite this it is still one of the best ones of its era the basic story is good but not great' **'when worlds collide 1951 directed by rudolph maté**

May 24th, 2020 - when worlds collide felt like a solid sci fi to watch but not for the adventure the characters nor the development itself the technical aspects of it were what made it so for one thing technicolor is excellent here' **'121 best when worlds collide images in 2020 classic sci**
