dr seuss the story

begins with the

narrator relating

the decision of the

unnamed protagonist

who represents the

reader to leave town

the protagonist

travels through

several geometrical

and poly chromatic

landscapes and

places eventually
encountering a place
simply called the
waiting place which
is ominously
addressed as being a
place where everyone
is always'' john cena

'oh the places you
ll go book review
May 6th, 2020 - this
is the last book
seuss wrote so it is
easy to get
sentimental about it
yet it s an
inspiring poignant
work on its own
terms the
illustrations are a
little shaky looking
pared with earlier
ones and there are
one or two flaws in
the rhyme s meter
but otherwise it is
as beautifully
crafted as anything
dr seuss ever wrote
and the message is
clear and moving
life can be
extremely'
