July 6th, 2018 - We offer an online dental clinic management solution which provides the dentist with convenient digital record keeping any time from anywhere in the world"Charting Template Outline

The Dental Hacks Podcast

June 22nd, 2018 - Charting Template Outline The Record Should Contain Comprehensive Medical and Dental History o Review the history thoroughly at the first visit make notation or any pertinent information gained in the health history and patient interview in the clinical record and update the health information at all subsequent visits o The health history should be reviewed documented and any modifications"*Introduction Getting*

Started Datacon Dental Systems Inc

July 2nd, 2018 - Perio Charting

Introduction Datacon's Periodontal

Charting is a great way to present

periodontal treatment plans to your

patients as well as an excellent

teaching tool Offices with

workstations in the operatories are

able to display the patient's mouth

image By looking at the screen

patients are able to see the potential

for bone loss from not flossing The

tooth chart is graphically'
