to outlaw war**

**June 2nd, 2020 - this overstatement
begins with the subtitle how a radical
plan to outlaw war remade the world
referring to the kellogg briand pact
which the authors assert has been
largely fotten they further claim that
the pact succeeded in transforming
international law from a pro war to an
anti war system ending the right to
acquire territory as the result of war
and thus remaking the world'**
