posthuman life philosophy at the edge of the human

*March 11th, 2020 - if a posthuman future will not
necessarily be informed by our kind of subjectivity or
morality the limits of our current knowledge must inform
any ethical or political assessment of that future
posthuman life develops a critical metaphysics of
posthuman succession and argues that only a truly
speculative posthumanism can support an ethics that
meets the challenge of the transformative'*

'the posthuman 9780745641584 braidotti rosi

May 17th, 2020 - the posthuman is a rather startling work

that requires heavy concentration on the part of the reader to follow the brilliant thinking of the author rosi braidotti a contemporary philosopher and feminist theoretician who makes a case for an alternative view on subjectivity ethics and emancipation and pitches diversity against the postmodernist risk of cultural relativism while also standing" **posthuman knowledge available for purchase now rosi**

May 6th, 2020 - posthuman knowledge prof rosi braidotti s newest book is available for purchase on the polity press website the question of what defines the human and of what is human about the humanities have been shaken up by the radical critiques of humanism and the displacement of anthropomorphism that have gained currency in recent years propelled in part by rapid advances in our knowledge'

'posthuman architecture player pca stream

May 14th, 2020 - scientific technologies have allowed us to increase our knowledge about species including microbes and bacterias and establish new ways of municating with them this new relationship between human and nature is essential in an architectural context where greenwashing often doesn t actually respect biodiversity and the needs of animal and non human entities'
