'modernism the roots of modernism

*June 2nd, 2020 - as an art historical term modern refers to a period dating from roughly the 1860s through the 1970s and is used to describe the style and the ideology of art produced during that era it is this more specific use of modern that is intended when people speak of modern art the term modernism is also used to refer to the art of the modern"***death in venice analysis shmoop**

April 10th, 2020 - death in venice is a pretty strange title for a work of fiction think about it

there s no article at the beginning nothing to tell us whether it s a death in venice the singular death of a singular man or just plain old death the fact of dying or even the figure of death for all you linguistic sticklers out there the original german title der tod in venedig has an article but runs'
