origin of south korea s anti rising sun flag campaigns

**May 23rd, 2020 - south korea s
anti rising sun flag campaigns
became active in 2013 they were
triggered by two japan south
korea football matches in january
2011 and august 2012 in both
events south korea s accusation
against the rising sun flag was
aimed at deflecting blames from
its own wrongdoings a racist slur
against japanese people for the
former and an on field display of
a politically charged"pdf world
