a brief history and style guide of tae kwon do

May 31st, 2020 - the goal of tae kwon do as a martial arts form is to render an opponent unable to harm you by way of striking them in that sense it is a traditional striking form similar to karate however as was

noted earlier self defense in the form of blocks and footwork are also designed to keep practitioners out of harm s way until such time as they can pull off the strike that ends the encounter"**taekwon do origins of the art bok man kim s historic**

April 16th, 2020 - it is unique in that it presents the history of taekwon do through the photos of one of its earliest and most legendary pioneers grandmaster kim bok man it is like grandmaster kim s personal photo album but with captions that identify as many people in the photographs to honor their lasting importance to the art and the dates and significance of the events in the

photographs'
