April 14th, 2020 - introduction it is my intention  
to trace in the poetry of england of the first  
decades of this century the course of the strong  
deep pregnant current in the intellectual life of  
the country which sweeping away the classic forms  
and conventions produces a naturalism dominating  
the whole of literature which from naturalism  
leads to radicalism from revolt against  
traditional convention'
