how to use the gradient editor in photoshop

**June 1st, 2020 - this opens the new
dialog box since we ll be focusing
mainly on the gradient editor
itself it really doesn t matter
which size we choose for our
document but if you re working
along with me let s create the same
size document as last time setting
the width to 1200 pixels and the
height to 800 pixels i ll leave the
resolution set to its default 72
pixels inch and i ll make sure'
'with a view to idioms by the free

that there is only one perfect view
the view of the sky straight over
our heads and that all these views
on earth are but bungled copies of

it e m forster a room with a view'

'that moment where the world stops
sources of insight

May 21st, 2020 - gabrielle bouliane
on that moment where the world
stops another view to take on some
of us is that we can either wonder
if we ve touched lives or we can go
out and know we touched lives
getting up and out there is an
important take away to my mind as
sometimes i will overthink things
course intellection is one of my
strengths'

**'another look my view of scripture
at this point**

May 30th, 2020 - note from cm our
usual friday contributor mike bell
ran into some other
responsibilities and asked me to
post something for today so i
thought i d repeat this 2011
summary of my view of the bible i
didn t take time to thoroughly
review and edit it so i might state
some minor details differently
today but overall i think it
continues to capture my perspective
well''**whoopi goldberg tells meghan
mccain to stop talking on**

'15 quotes that will change the way you view the world

June 1st, 2020 - when we view the world in a negative way or when we feel like life isn't going our way we make decisions that affect how we see the world and then there's a good chance that the way we view the world becomes the way we view ourselves here are 15 quotes that will change your perspective on the world and life'

'seeing who you were in previous lives through mirrors

May 28th, 2020 - hmmm sounds interesting im really into meditation and even tried an open eye meditation once that was really crazy the room i was in began to change colors stuff started shifting around and my walls looked like they were melting then again i also have whats called hppd hallucinogenic persisting perception disorder i got it from doing mushrooms when i stare at anything for too long'

'focal length and f stop explanation

May 30th, 2020 - f stop is the focal length divided by the diameter of the lens for example a 200mm f 4 lens will be 50mm wide get out your ruler and measure it 200mm / 50mm = f 4 that is why f stop is typically written as f 4 meaning focal length over 4 or focal length

divided by four'

'stop the bleed homeland security
June 2nd, 2020 - stop the bleed is
a national awareness campaign and
call to action stop the bleed is
intended to cultivate grassroots
efforts that encourage bystanders
to be trained equipped and
empowered to help in a bleeding
emergency before professional help
arrives'

'the stop loss order make sure you
use it

June 2nd, 2020 - a stop loss order
is an order placed with a broker to
buy or sell once the stock reaches
a certain price a stop loss is
designed to limit an investor s
loss on a security position'
