'hypothesis vs theory
the difference explained
merriam

June 6th, 2020 - toward
that end science employs
a particular vocabulary
for describing how ideas
are proposed tested and
supported or disproven
and that s where we see
the difference between a
hypothesis and a theory
a hypothesis is an
assumption something
proposed for the sake of
argument so that it can
be tested to see if it
might be true in the
scientific method the
hypothesis is
constructed'
