myersmyofascialmeridians anatomy trains myofascial meridians for manual and movement'' **the evidence of anatomy trains myofascial meridians**

May 18th, 2020 - the **anatomy trains myofascial meridians concept by tom myers is quite popular amongst manual and**

movement therapists
however there has been
little scientific
evidence to support this
concept until recently
jan wilke and researchers
from goethe university in
frankfurt germany
searched for the evidence
on the existence of six
myofascial meridians as
proposed by tom myers in
1997'

'anatomy trains e book
myofascial meridians for
