*the evolution of a mnemonic for quality simulation*  
May 23rd, 2020 - as health care simulation  
continues to mature the literature has shifted from  
descriptive narratives about doing simulation  
towards a greater focus on the scholarship of  
simulation practice in essence there has been a  
shift from viewing simulation as a technology to a  
pedagogy at the same time there has been increasing  
attention to what defines excellence quality and'
