olympic channel

June 5th, 2020 - 10 59 pm

quad axel talk hanyu and

chen in the press

conference are asked

about the quadruple axel

i would definitely like

to be able to do one i

promise that i will do it

in petition otherwise

there would be no meaning

to it he says even if i

did one in an ice show it

wouldn't mean so much

unless it was in petition

and recognised and had a

goe grade of

execution''life lessons

learned from ice skating

diary of a first child

June 1st, 2020 - if you

try and you fall get up

quickly otherwise you end

up cold and wet or some

other otherwise that's

more relevant to real

life the point is if you

stay down it takes longer

to sort yourself out when

you finally do get up

again and while you might

succeed and never fall

again for a time at least

you're going to carry
