formulas easier safer and quicker to
use"***chemical peels for acne and acne
scars in asians evidence*

*January 2nd, 2017 - introduction
superficial chemical peels are
considered as adjunctive treatments for
the management of acne 1 2 they are
often added to first line therapies such*

as retinoids and antibiotics whether topical or systemic 3 4 their addition to the regimen is preferred due to the quick decrease in lesional count as well as the improvement of overall skin texture'
