March 28th, 2020 -

*In some ways my
impression from
Eleven minutes is
similar to The

is written very well*

it s readable and flows quickly It talks about certain life philosophies with the main theme being the search of the main character for the meaning of life Not surprising that Coelho s books are such

bestsellers' 'Onze

Its a good book but
I think it is most
likley suited for
particular tastes
Its a good story and
you do feel an
affinity to the main
character The

problem is that the book can get a little preachy at times making it harder to take seriously with its drawbacks its still a good book in my opinion' '
