***Good Process is Evolved Not Designed in 97 Things Every***

*April 28th, 2020 - Earlier in the year I got the chance to contribute an article to Camille Fournier's latest book 97 Things Every Engineering Manager Should Know and jumped at the chance to write something. The piece I contributed is Good Process is Evolved Not Designed and is a streamlined version of an earlier blog post which I've also converted into a short conference talk'*

**'Chaleff's typology of followers No Kill Switch**

**April 27th, 2020 - I had my way of thinking about that but recently I've encountered a very simple yet useful conceptual model it's described by Jason Wong in Camille Fournier's recent book 97 Things Every Engineering Manager Should Know and it's called Ira Chaleff's typology of followership after it's creator more details in this book OK so what is'**
